

**Sandoz ESOT Study Grants:
Transplantation
Call for Applications**

Sandoz Pharma Ltd. offers annual study grants totaling SFr. 40 000.- to individuals involved in the clinical or experimental fields of transplantation. Each study has to be performed in a country situated in Europe that is not the country in which the applicant is currently working. There will have to be a specific purpose with a clear study goal. The period for which an applicant may apply for financial support can vary from one to several weeks or months. Congress visits will be excluded from any study grant. The Council of the European Society for Organ Transplantation (E.S.O.T.) will administer the Sandoz ESOT Study Grants. The selection and final decision will be made by the Council. Applications must be in English, should

specify the purpose of the study, and should be supported with relevant documentation, including a full curriculum vitae. The application must be signed by the head of the department/program where the study will take place. Neither the heads of the departments nor the applicant necessarily has to be a member of E.S.O.T.

Applications should be sent to:

Professor C. Hammer, Institut für Chirurgische Forschung der Universität München, Klinikum Grosshadern, Marchioninistrasse 15, D-81377 München, Germany.

**Envelopes should be clearly marked
"Sandoz ESOT Study Grant."**

**International Conference on
New Trends in Clinical and Ex-
perimental Immunosuppression,
10-13 February 1994, Geneva,
Switzerland**

The Intercontinental Hotel in Geneva, Switzerland, is the location for this international conference. Technical and trade exhibitions will be held in conjunction with the conference.
