1st Congress of the Society of Innate Immunity (SII) “Integration of Innate Immunity and Biological Systems”

May 13–16, 2007,
Antalya, Turkey
www.society-innateimmunity.org

The founding Members of the Society of Innate Immunity (SII) and the Local Organizing Committee of the 1st Congress of the Society take great pleasure in inviting you to join us in Antalya, Turkey in May 13–16, 2007.

This first Congress of our new Society will take place in the spirit of the Aims and Scope of “SII” as put forth by the Founding Members. The Meeting will provide a forum in which investigators and clinicians in the disparate fields of innate immunity can join for presentation of new research, discussion of ideas and initiation of collaborations.

Plenary sessions and State-of-the-Art symposia and discussions, oral and poster presentations will address all aspects of innate immunity focusing particular attention on how the components and functions of innate immunity integrate with other biological systems.

We look forward to welcoming you to Antalya in May 2007 and to an innovative, rewarding and successful 1st Congress of SII.
